Summary

Hello!

I am Dhanush M, an Electrical student at Global Academy Of Technology with a keen interest in Full Stack Web development. Currently immersed in learning of intricacies of HTML, CSS and Javascript, I am actively honing my skills to become proficient in crafting seamless and engaging web experiences.

My journey extends to mastering popular web frameworks such as Bootstrap, Tailwind CSS and the MERN stack (MongoDB, Express.js, React, Node.js). I am also looking forward to extend my knowledge by learning Data Structures and Algorithms using Java in the coming months. I am also acquainted with basic knowledge of data structures using C and basics of python.

Aspiring for a challenging career in Web Development as to use my learned skills and experience for best results.
